Test Cases :

## **1. USER LOGIN AND REGISTRATION:**

Steps : Go to <https://garimachaphekar.com/index.php>. Click on the login button at the top right corner. (highlighted in yellow)

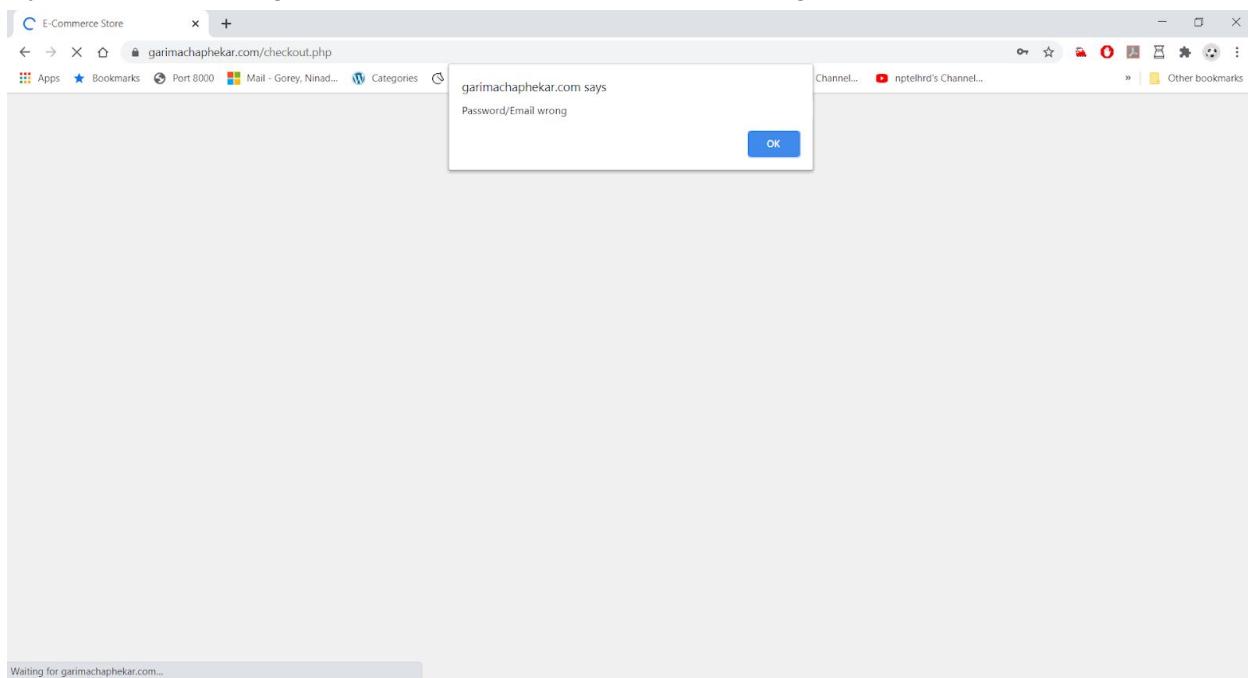

This will take you to the login page.

Enter the credentials.

If you enter the wrong credentials, a pop up will appear stating the same.

If you enter the correct credentials, you will be able to login.

The screenshot shows two consecutive screenshots of a web browser window for an e-commerce store.

**Screenshot 1:** The browser title bar says "E-Commerce Store". The address bar shows "garimachaphekar.com/checkout.php". A modal dialog box from "garimachaphekar.com" displays the message "garimachaphekar.com says Your are logged in" with an "OK" button. The background page is mostly blank.

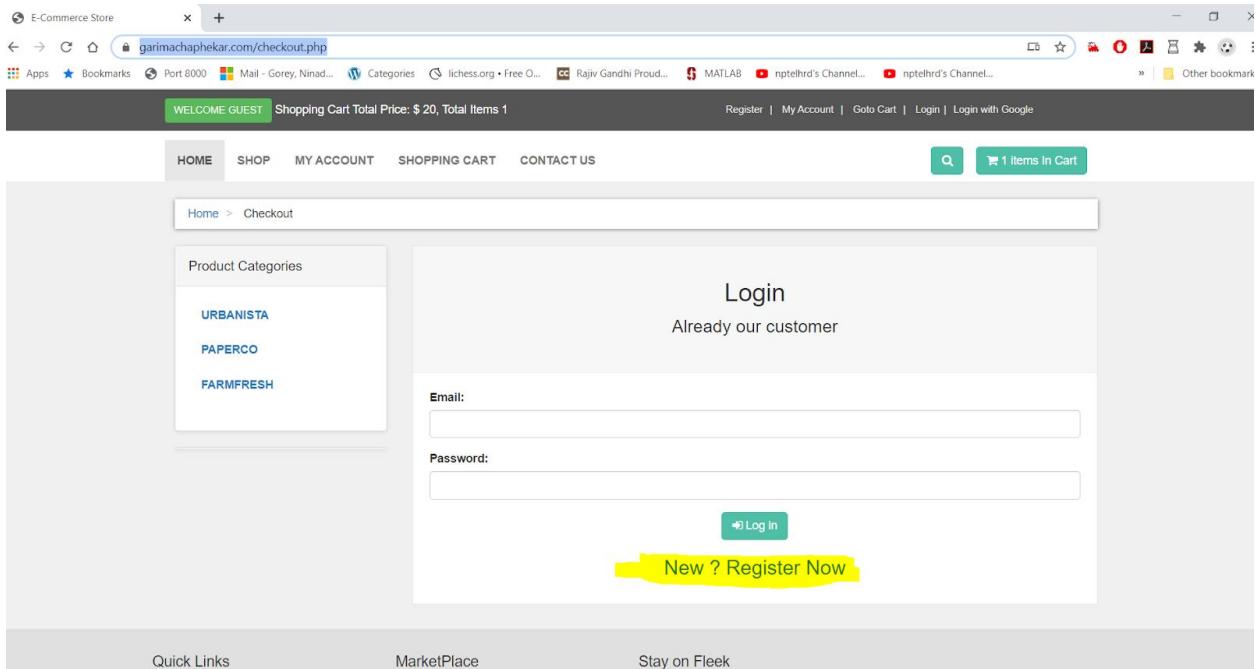

**Screenshot 2:** The browser title bar says "E-Commerce Store". The address bar shows "garimachaphekar.com/checkout.php". The page header includes "WELCOME: PTIYAG@DELOTTE.COM", "Shopping Cart Total Price: \$ 20, Total Items 1", "Register | My Account | Goto Cart | Logout", and a search bar. Below the header, there's a navigation menu with links: HOME, SHOP, MY ACCOUNT, SHOPPING CART, CONTACT US, and a cart icon showing "1 Items In Cart".

The main content area shows a breadcrumb trail "Home > Checkout". To the left, there's a sidebar titled "Product Categories" with links: URBANISTA, PAPERCO, and FARMFRESH. The main content area is titled "Payment options" and features a "Cash On Delivery" link and a "Pay with paypal" link. It includes a large "PayPal" logo and icons for MasterCard, VISA, American Express, and Discover.

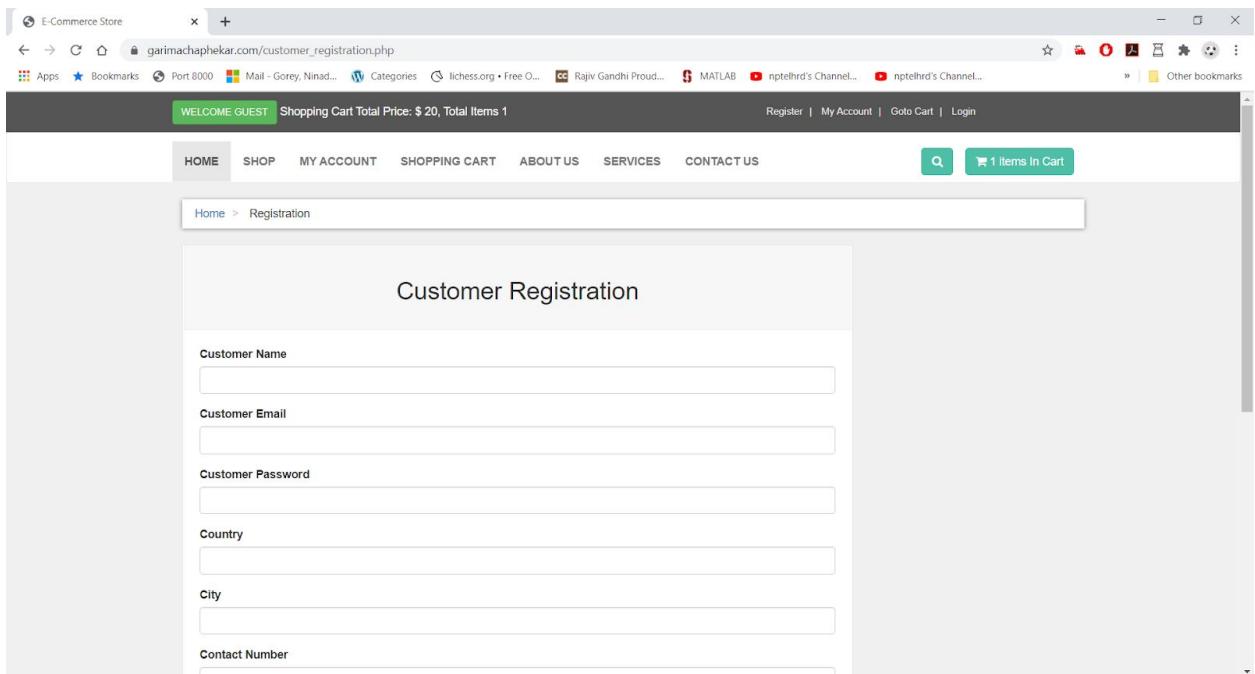

Once the user logs in, the session will start and the user will be able to see the email id at the top left corner and the login button will be replaced by the logout button (at the top right corner).

Steps to Register at the website :

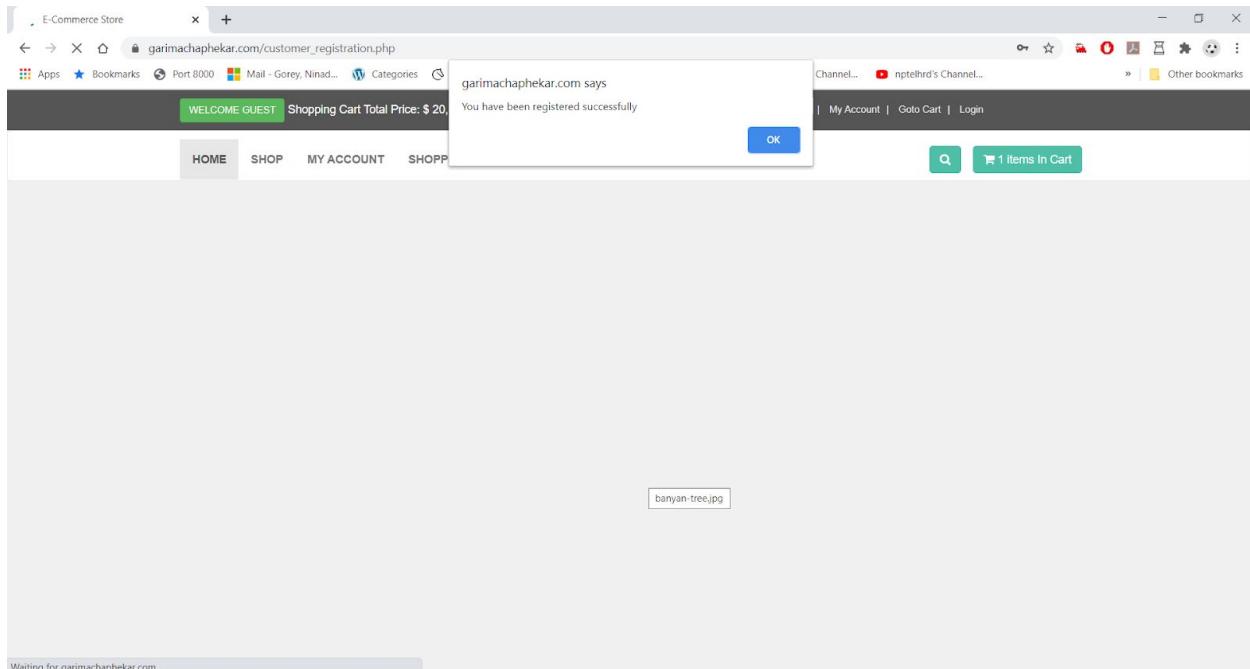

Go to the login screen. (<https://garimachaphekar.com/checkout.php>)

Click on the register now button.(highlighted in yellow). This will take you to the registration page.

Enter all the information and the user will be registered.

Also the user will be logged in with the new credentials.

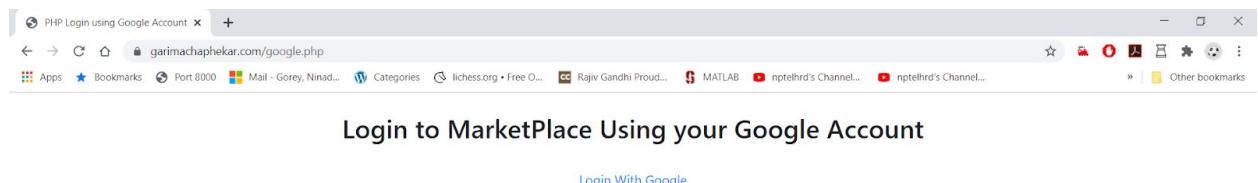

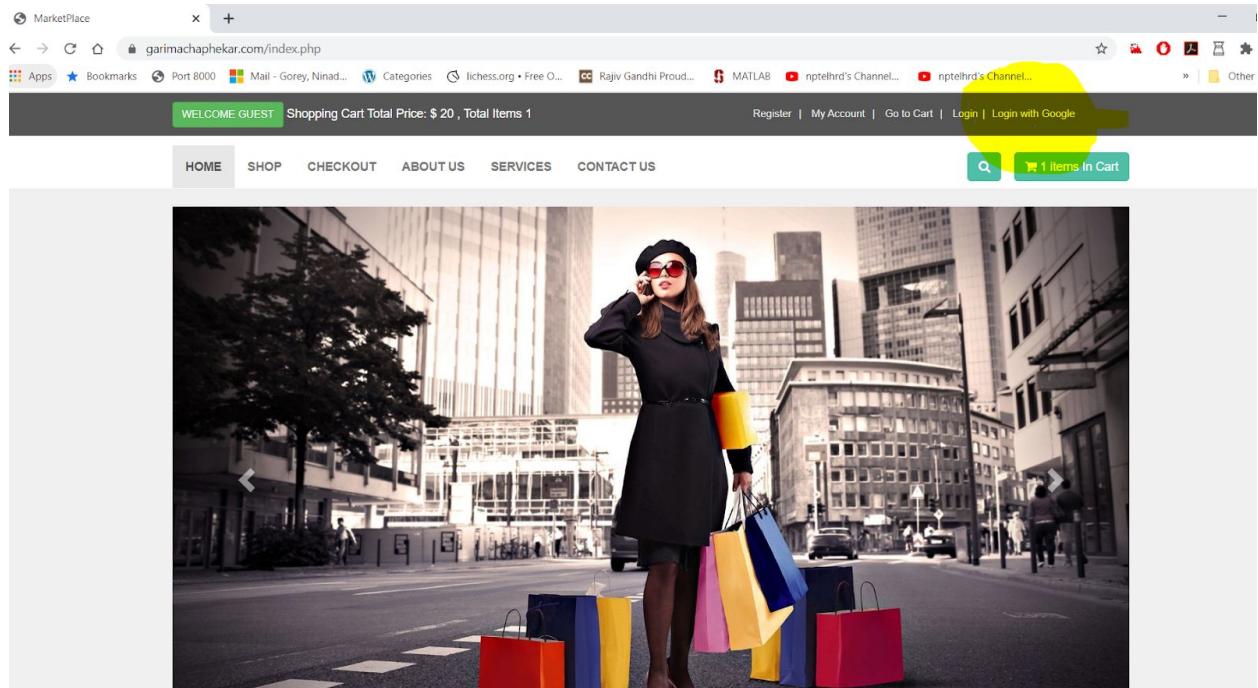

At the top left corner is the welcome button, if the user is logged in, it will show Welcome followed by the email of the user, otherwise it will display Welcome Guest. Once you login, the logout button will be visible. If the user is not logged in, the login button will be visible.

Test Credentials for login :

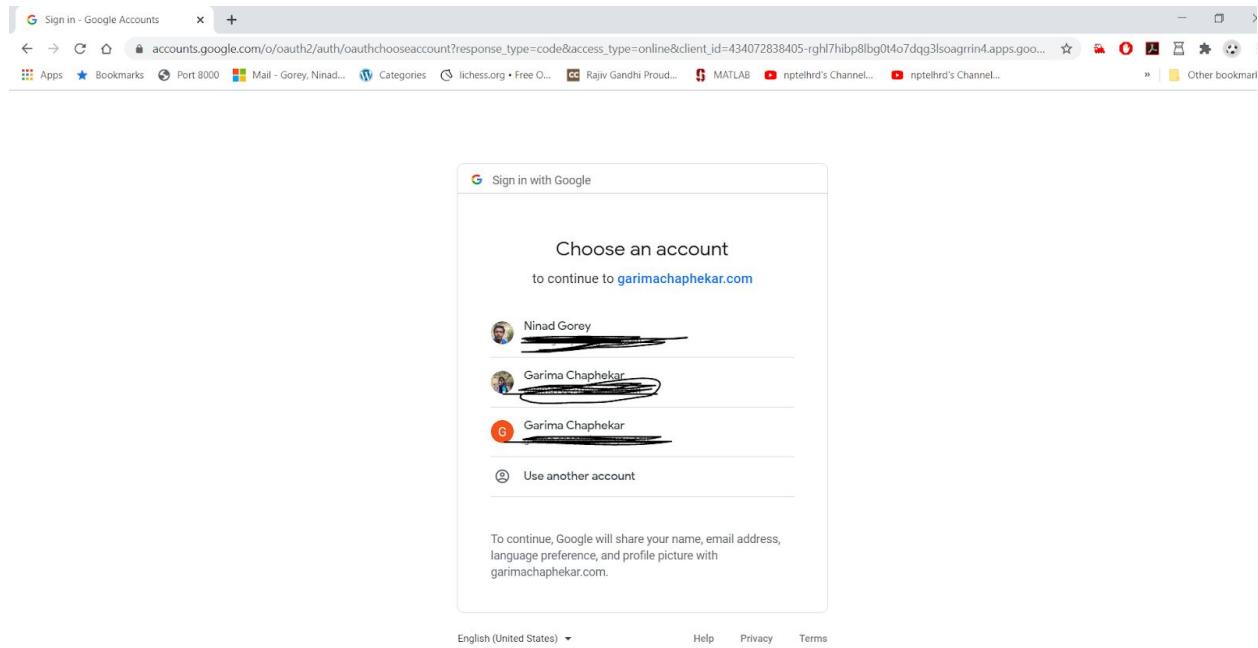

Test User Email	Test User Password
kapil.sharma@xyz.com	Profit11
harsh.mahesh@xyz.com	Profit11
samarth.chaphekar@outlook.com	Profit@11

## 2. LOGIN WITH GOOGLE:

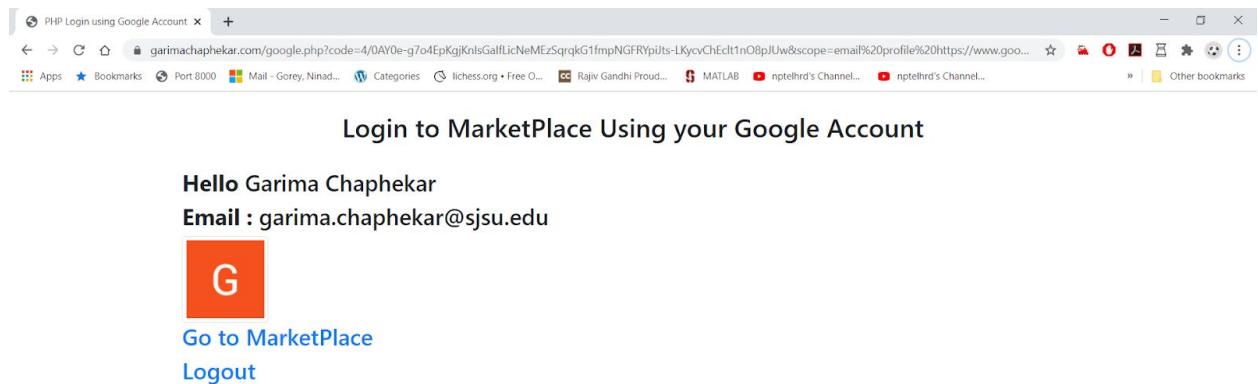

Click on login with google at the home page (top right corner)

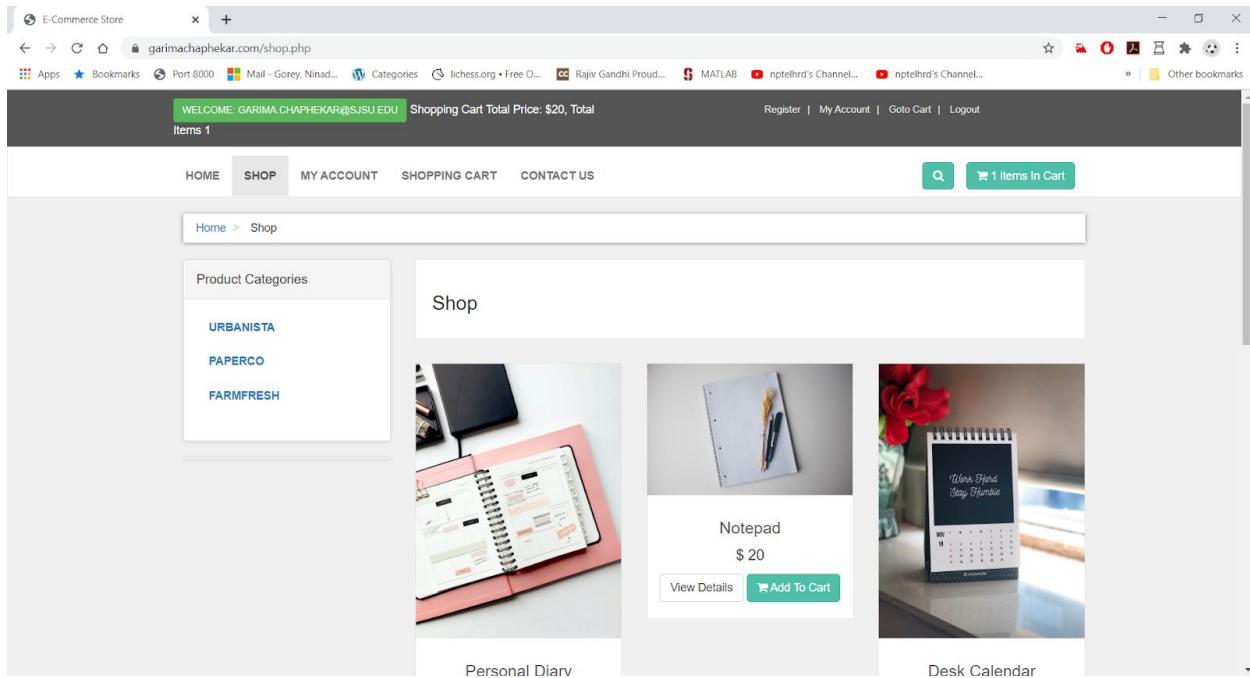

Click on login with google and it will display all the google accounts logged in your local desktop. Select the account with which you want to login.

Post giving the correct credentials, the user will be logged in.

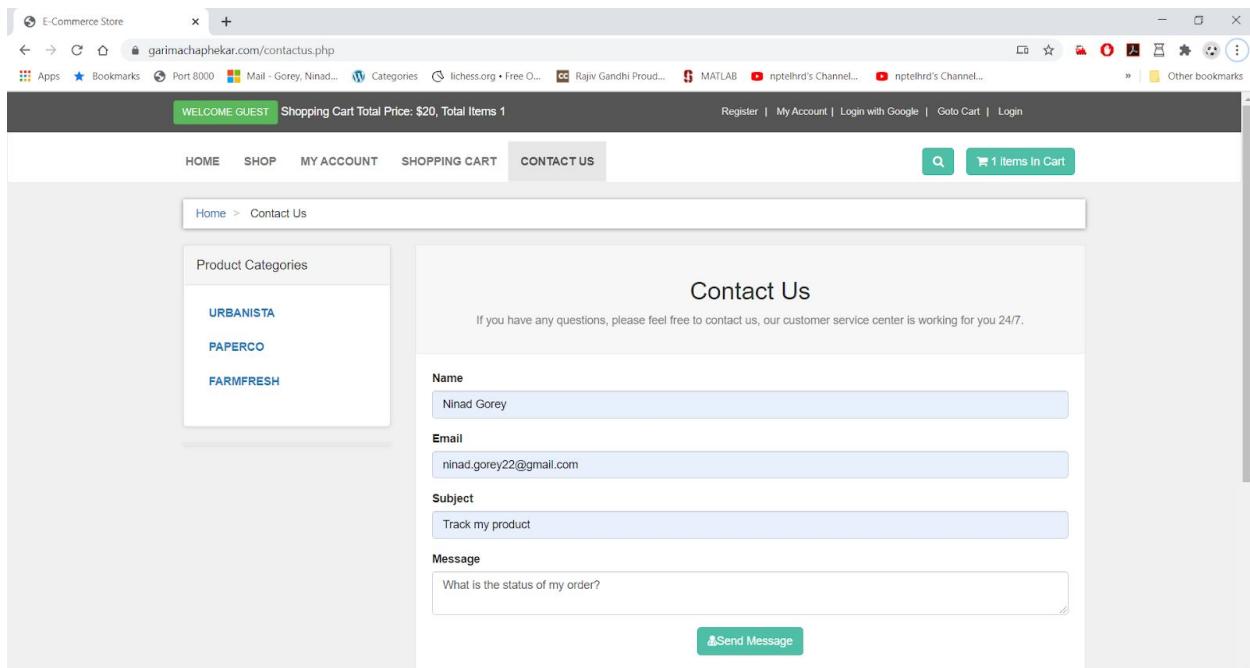

Click on go to marketplace to go to the homepage or logout button to logout of the session. If you click on go to the marketplace, you will be redirected to the shop page and the email address (google email id) of the user will be visible at the top left. A new session will be started with the gmail address.

### **3. CONTACT US FUNCTIONALITY :**

Under this functionality, the user will be able to send an email to the admin. The admin will receive the users email. Also a notification mail will be sent to the user.

Go to contact us page (<https://garimachaphekar.com/contactus.php>)

Enter the details like your email address , name, subject and message. Click on send message.
